

MISSION OUTREACH: "Water of Life" Project

What

Springs Adventist Academy has launched a **Mission Outreach Project: Water of Life**. This is part of our Bible curriculum outreach program and inspired by John 4:14 which says *"But whoever drinks the water I give them will never thirst."* The funds raised will go to building a well for a whole village, in a third-world country, that does not have clean drinking water!

Matching

To serve our own local community, SAA will match every dollar received with a bottle of water that will be distributed to our homeless community!

Icon

For every ten dollars donated, an icon with your name will be posted in the halls of the school.
